## About This Game

You're drawn into a web of deceit when your train stops in Andville, where the Black Widow lies in wait. Follow a trail of clues and dead husbands as you explore this once picturesque town now at the mercy of the Black Widow and her mechanical minions. What drives her lust for revenge? Where is the root of her strange power? Uncover the bizarre history – and mystery – of this little town. And track down the Black Widow in time to foil her devious plot for revenge!

This is a special Collector's Edition release full of exclusive extras you won't find in the standard version. The Collector's Edition includes:

- Hours of bonus gameplay as Morgana!
- Re-playable collection of puzzles
- Concept art and stunning wallpaper
- Brilliant soundtrack
